Mr. Andrew E. Ruddock, Director
Bureau of Retirement and Insurance
U. S. Civil Service Commission
Washington, D. C. 20415

Dear Mr. Ruddock:

Reference is made to my letter of 1 June 1967 which set forth, on a tentative basis, proposed changes in benefits and premium rates for our Association Benefit Plan for the coming contract year.

The Board of Directors, Government Employees' Health Association, Inc., at its meeting on 13 September 1967, authorized me to affirm the proposed benefit and premium changes set forth in my letter of 1 June 1967. The Board's view is that the proposed benefits would importantly serve the GEHA membership even though it will be necessary to raise our rates.

We very much appreciate having this second opportunity to review our plans. If you need additional discussion concerning our proposals, I am available at your call.

Very truly yours,

President
